Join the AANHPI 'Ohana Center of Excellence & the Māpuna Lab's virtual summer training series on adopting cultural anchors for substance use treatment and prevention strategies. This series provides a tri-lens cultural view of substance use emphasizing "The Impacts of Colonization on Ahupua'a. Conceptualization, V3.0" framework that recently launched with the Hawai'i State Plan for the Alcohol and Drug Abuse Division of the Department of Health.

If you are in need of an accommodation for a disability, please contact mapuna@hawaii.edu one week prior to the start of the event.
